ANTIDOPING CONTROLS**I. INFORMATION**

- A certain amount of controls will be conducted under the 2015 Anti-Doping Rules of the UCI and CADF procedures and instructions.
- Riders selected for anti-doping can be identified on a list by their race number or their ranking. If applicable, the list will be posted at the finish line and at the entrance of the doping control station immediately after the race.
- The riders selected for the controls will be notified by a chaperon; the notified rider shall remain within sight of the chaperon at all times from the moment of in-person notification until the completion of the sample collection procedure. Team officials should not prevent the chaperon to continuously observe the rider. Should no chaperone be present, the rider shall proceed immediately to the doping control station. The absence of a chaperone shall not excuse the rider for not reporting in time to the doping control station. If the award ceremony takes place immediately after the event, a rider needing to go to the award ceremony will be escorted first to the award ceremony area, then to the press conference and finally to the doping control station.
- Each rider to be tested must present himself at the doping control station as soon as possible and at the latest within 30 (thirty) minutes of finishing the race. If a rider takes part in an official ceremony or attends a press conference, the deadline shall be 30 (thirty) minutes of the end of the ceremony or of the moment that his presence is no longer required at the press conference, whichever is the latest. Riders that have abandoned the race shall proceed immediately to the doping control station.
- Riders must report to the doping control station with their current license; but if it has no photograph, another I.D. with a photo must be presented. Riders may be accompanied by a person of his choice and an interpreter.
- Even if there are chaperons present, ultimately **IT IS THE RIDERS' RESPONSIBILITY TO CHECK IF THEY HAVE BEEN SELECTED FOR ANTI-DOPING CONTROLS**. If the rider does not attend the test, a violation of the UCI Anti-Doping Rules will be noticed and the rider could be sanctioned in accordance with these rules.
- Any changes related to the localization of the riders participating in the race (hotel name, address and telephone/fax numbers) must be communicated to the UCI and CADF Doping Control Officers as soon as possible (contact details below).
