Information:

The Commissaires Panel reminds coaches and riders of Regulation 3.2.008 that the blue band does not form part of the racing surface. If a rider rides on the blue band voluntarily, and if in doing so, is considered to have gained an advantage, the latter will be relegated or disqualified depending on the seriousness of the fault.

Therefore, in timed events we would remind riders that they should ride on the track surface and not on the blue band.
