

COMMISSAIRE'S COMMUNIQUE**1. Equipment:**

As per UCI Regulation 16.14.001, all bicycles used in the competition must be in conformity with UCI regulations. A helpful reference can be found in the "Clarification Guide of the UCI Technical Regulations" document on the UCI website.

For ITT: Riders must present their bike for the race check at least 15 minutes prior their official start.

Riders must report along with the bike 15mins before their allocated start time – dressed as they intend to ride the ITT for personal equipment check, - riders reporting late will need to be checked before they are allowed to start, and this may result in a late start penalty.

Reminder: The start will be refused if the bicycle or the equipment is not in conformity with the regulations.

In all cases the riders must take the start in the uniform as approved at the licence control.
